

Mahaffey Plantation/Waste Industries Agreement

Mahaffey Plantation is under contract with Waste Industries for a 5-year agreement. (2019-2023) At the end of this time, our MP Board is free to re-evaluate other service providers. We opted to become a “single-service community” for many reasons:

The Safety of our Residents:

- Waste Industries workers have been fully vetted and background-checked
- State-of-the-art trucks with cameras installed both inside and outside to ensure workers are not attempting to steal or pilfer through resident garbage for private information
- No speeding garbage trucks racing through the neighborhood to collect garbage from a few waste bins throughout the week

Unparalleled Customer Service:

Waste Industries customer service representative Karen Tully knows our neighborhood and is ready and willing to help with any issues:

karen.tully@gflenv.com

Additional Benefits:

- Less Wear & Tear on our streets
- Reduced environmental impact
- Community Aesthetics: ALL Garbage cans go to the curb once each week, then they're out of site. No more cans on street multiple days of the week

Savings & Bonus Perks*

- Basic Garbage: Rate of \$12.50/month, collected once/week on Mondays. Second container available for \$5/month if needed
- Recycling: Rate of \$4.00/month, every 2 weeks. No charge for second cart, if needed
- Yard Waste: 95 Gallon container, picked up each week for \$6.00/month
- FREE Roll-Off Container: Twice each year, Waste Industries will park a large disposal container for 2-3 days: Spring Cleaning and late December for "post-holiday" including Christmas Tree disposal

*Rate guaranteed years 1-2 with 3% increase in the third year
